### WEB DESCRIPTION

Hard shell case for Samsung Galaxy Note 10.1 2014 Edition, for top protection from bumps and dust. The front flap and the back shell are upholstered in eco-leather, with "metal-brush" effect. Thanks to the Smart Magnet function, this hard shell case activates or switches off your Galaxy Note 10.1 when you open and close the front cover. In addition, a simple gesture can transform Macro hard shell case into a functional infinite angle stand, perfect to write, surf on the net and watch videos with your Galaxy Note 10.1.

### FEATURES

#### Material:

- Specific case with direct access to all device's features
- Hard back shell to provide optimum protection
- Built-in front cover convertible in a free-position stand
- Wake up and sleep smart magnet
- Made of eco-leather with metal brush finish
- Anti-scratch microfiber lining inside
- Camera lens hole on the back
